## *Consumer & Trade Shows*

The W.H. Lyon Fairgrounds has multiple facilities to hold your unique consumer or trade show.

The Armory's main floor is 85' by 100'. It holds approximately 550 people with tables and chairs. This space works very well in the winter, spring, or fall.

The North Room of the Expo Building is 300' by 100'. It is air conditioned and provides a lot of space for your guests. It holds approximately 2000 people with tables and chairs. Flea Markets, Swap Meets, Baby Shows, Outdoor Shows, and Holiday Fairs are a few shows that take place in the North Room of the Expo. This is our most ideal place for a large indoor event.

The East Parking Lot is ideal for car sale, camper sales, or any sale of outdoor equipment. It holds 1,738 vehicles.
