

Facility Rentals *Formal Occasions*

The W.H. Lyon Fairgrounds has multiple facilities to hold your wedding, meeting, appreciation dinner, spring fling, fall ball, or any formal occasion.

The Armory's main floor (pictured) is 85' by 100'. It holds approximately 550 people with tables and chairs. This space works very well in the winter, spring, or fall. Draping from the ceiling and along the walls transform this area into the reception hall of a bride's dream.

The North Room of the Expo Building is 300' by 100'. This area is best for very large receptions. It is air conditioned and provides a lot of space for your guests. It holds approximately 2000 people with tables and chairs. Draping may also be done in the North Room to achieve a look the client may desire.

The Old Hort' Building is a good alternative for smaller receptions or occasions in late spring or early fall. Space in this building is available June through September, but it does not offer air conditioning. The main floor is 86' by 55'. It holds approximately 315 people with tables and chairs.

To inquire on facility rentals please call the office at 605-367-7178. Scan the qr code for diagrams and e-mail service.
